

## TFJCK 2006/2007 Accomplishments

- Strengthening Families sessions completed successfully, including Booster sessions
- 4 Anti-tobacco billboards
- COMET reporting completed and submitted successfully and in a timely manner
- All reporting requirements met and funds drawn down successfully with use of new PMS system
- New grant continuation application complete and submitted through Grants.gov
- 2007-08 Grant Funds approved with a reward of \$100,000.00
- Coalition event (Teen Jam) successful in collaboration with many local organizations, businesses, and individuals, including the Boys and Girls Club of Jackson County, Wazee Sports, etc.
- 21 articles in papers
- Meth presentations to students in the Renaissance program and Ho-Chunk Nation
- Meth Watch stickers were distributed to local store owners/staff
- KEYS (Keeping Everyone You Know Safe) distributed at local prom with discount on purchase of flowers from Falls Florist.
- TFJCK, in conjunction with State Farm Insurance, purchased a MADD video for presentation at the BRF HS Prom Event. This video will remain in the TFJCK Resource Library for use by the public/school districts.
- Conducted a Community Needs Assessment in partnership with the Boys and Girls Club, UW-Extension, and the BRF School District.
- Conducted a Youth Leadership Day with AC/H/M school district (Study Circles) at the Castle Hill Supper Club. Approximately 22 students and 3 teachers were in attendance.
- Continued training for staff and members through conferences and audio conferences
- 4 TFJCK newsletters completed and distributed in the community
- Successfully completed “World Café” style planning sessions, which were prerequisite for the 2007-08 Work Plan
- Completed timeline for 2007-08 Work Plan
- Recruited 5 new members
- Capitol Hill meetings with Senators Herb Kohl, Russ Feingold, and Ron Kind.
- YRBS Committee created the YRBS Report Card and made it available to specified organizations that may be able to benefit from the information. For these organizations to obtain this information, they only need to get permission from school superintendents.

- Web access continued to TFJCK minutes, agendas, newsletters, forms, and special events through the TFJCK.org website
- Youth involvement in event planning processes
- Tobacco Free Coalition placed information about Healthy Heart Month in local papers
- 3 people attended 2 day Mayo Nicotine Dependence training
- TATU received new t-shirts
- Hired a Vista Volunteer to work on the coalition's 501c3 status and sustainability
- Purchased new and updated brochures
- Purchased new Dell laptop
- TFJCK billboard on Hwy 54 for 1-2 months with "Drug-free" message
- TFC purchased GASO placemats and distributed them to participating restaurants
- 501c3 application was completed and sent to IRS for approval
- TFJCK did presentation about the coalition to the local Rotary Club
